He also asked for a list of names of people who will be attending the course. He said the maximum is 50 people. We made a provisional list based on who has said they are going which Juma will bring him.

Guta

Work on the guta was finished during the week and it started work with Ally Saidi Mwishehe as the new driver on Thursday. From next week, he will resume bringing Tsh 7,000 a week to UWABA.

Office

Elaine brought minutes of last week's meeting in Swahili to this meeting for members to check, and will continue to do so in the future.

Traffic police and rules of road

Elaine drafted a letter to the traffic police requesting information on the rules of the road and requesting a meeting with the road safety division. The other members read through this and made corrections. Juma will deliver it next week.
